

WHO'S WHO

AMONG THOSE SERVING THE TAX & ACCOUNTING PROFESSION

COMPANY DESCRIPTION

We live in a complex world. Regulations are always changing; clients' expectations are in flux and increasingly influenced by consumer experiences; economic forces are volatile; and global issues affect us all. As a result, firms and businesses are facing a new normal that's fast-moving and ever-changing.

Professionals today have different needs, expectations and capabilities. They need greater mobility, simplicity and speed. They need workflows and solutions to drive greater productivity and profitability. They need a business partner they trust to help them get there. That's what CCH delivers.

CCH, a Wolters Kluwer business, delivers Best in Process tax, accounting and audit solutions and services that advance our customers' business.

Headquartered in Riverwoods, Ill., CCH is part of Wolters Kluwer Tax & Accounting – the global leader that holds major market positions in North America, Europe and the Asia Pacific region. CCH is focused on serving professionals' needs in Tax, Accounting, Audit & Workflow, and Corporations. Employees include CPAs, attorneys, auditors, technologists, developers, business intelligence professionals and marketing, sales and customer service representatives.

CCH enables tax, accounting and audit professionals to advance their business through Best in Process solutions, resulting in superior client service based on improved individual performance and increased firm productivity and profitability. It's all about faster answers and better results:

- CCH advances our customers' business. It's not about a product – it's about our customers' effectiveness and productivity.
- CCH is an integral part of our customers' workflows, delivering innovative, end-to-end solutions and mobile solutions that align with optimized work processes.
- CCH's open, innovative platforms deliver superior software and information solutions that are trusted for accuracy, quality and comprehensiveness.
- CCH's open integration platform provides professionals with the opportunity to access the solutions they desire, from different providers, and still benefit from an integrated workflow.

SOLUTIONS

The ProSystem fx® Suite

The CCH ProSystem fx® Suite offers the most powerful, closely integrated software suite of productivity solutions, including our cloud based, SaaS solutions. And, with CCH's Open Integration Platform, customers and other providers can integrate easily with CCH solutions.

ProSystem fx Tax is the cornerstone of the Suite, with Suite modules for tax compliance, tax planning, trial balance, fixed assets, practice management, document management, paperless tax and audit engagements, client write-up, website development, portals, business and practice intelligence, workflow and offshore outsourcing services.

CCH's ProSystem fx Suite also delivers robust solutions and services

on a dynamic, centralized, open SaaS platform to support the way the highest performing professionals want to work today. Solutions include cloud / SaaS versions of ProSystem fx Tax, Document, Scan, Practice, Workstream and Portal.

With new mobile capabilities, CCH's ProSystem fx Practice Intelligence integrates with Practice Management data, and can be accessed via iPad, smartphone or any other browser-enabled slate device, making mobile management of a firm a reality today.

Information Solutions

IntelliConnect is the gateway to CCH's superior value for award-winning information, integration and tools. IntelliConnect:

- Offers intuitive design;
- Includes a simple, modern interface that makes everything accessible from one screen;
- Gives users the flexibility to choose the research method that works best for them; and
- Provides a window to the best, most current tax and accounting content and compliance tools available.

CCH's information solutions are also mobile, providing an advantage for any professional who needs to conduct business beyond the boundaries of their office. IntelliConnect customers have the ability to conduct research on CCH's premier content from the palm of their hand – anytime, anywhere, as well as access the latest tax news. CCH's popular eBooks also enable professionals to access answers – when meeting in person with clients at remote locations, or whenever they need quality content fast.

CorpSystem® Solutions

Created specifically for corporate professionals, CorpSystem® solutions provide award-winning, integrated sales and use tax solutions that streamline workflow and ensure timely and accurate tracking and reporting of sales and use tax rates (CCHGroup.com).

CCH solutions include the new global solution CCH Integrator, offering multinational corporations a suite of CCH web-based software and content solutions designed to increase visibility, lower risk, and improve accuracy and efficiency for corporate tax and accounting professionals.

MARKETS SERVED

CCH solutions are relied upon by the CPA firms of all sizes, thousands of corporations worldwide, the IRS, and the nation's courts and agencies. Our customers include small, medium and large accounting firms, and corporate tax and auditing departments that rely on our information, software and workflow tools to help enhance their productivity, profitability and increase value to their clients.

CUSTOMER SUPPORT

CCH customers receive world-class support and service. Technical support can be found at CCHGroup.com.

Win back time!

Increase compliance, audit and financial reporting efficiencies with ProSystem fx® Engagement from CCH.

Whether reporting internal financials or conducting audits on other government entities, with ProSystem fx® Engagement, you'll experience efficiencies not available with other solutions:

- Make your existing workpapers more efficient without changing the way you work.
- Roll forward an entire binder with linked financials and workpapers.
- Experience built-in integration with trial balance, and more.
