

## CONTEST ENTRY FORM

### Project Submission Criteria:

- Projects can have multiple contributors (manufacturer, integrator, consultant, engineer, and/or security professional), but it is preferred that the “author” of the final project entry be a security representative from the END-USER organization that ordered the project.
- Have more than one innovative technology deployment? No problem! We accept multiple entries (see fees and deadlines section below).
- The end-user in all submitted projects MUST be willing have the project featured (including photos) in Security Technology Executive, on stage at the SIA Gala Banquet at ISC East on Nov. 20, as well as during a roundtable discussion of the project at an ISC East educational session.
- Submission packages should include a CD or flash drive containing: 1) a Microsoft Word document (no less than 1,600 words — no more than 2,500 words) describing in detail the integrated solution, how the partners on the project worked together, and why it is innovative; 2) A list of all technology and service vendors; 3) A two-slide Powerpoint outlining major project objectives & solutions; and 4) Captioned, high-resolution photos of the facility project, as well as the people involved in making the project successful (300 dpi .jpeg files please).

### Entry Fees & Deadlines:

- **Aug. 19, 2013** — early bird entry deadline - \$249 (\$199 for SIA members)
- **Sept. 16, 2013** — Late entry deadline \$399 (\$349 for SIA members)  
\*Additional entries: \$50 each additional entry from the same source organization.
- **Nov. 20, 2013** — awards presented at SIA Gala Banquet at ISC East.

### Entry procedures:

1. Print out and complete this entry form
2. Send completed entry package (as described in the criteria above), including this entry form, along with a check or credit card payment information via UPS or FedEx to:

**Security Innovation Awards, c/o STE Magazine, 12735 Morris Road, Suite 180, Alpharetta, GA 30004**
